SUMMARY

Aspiring Web Developer with a solid foundation in full-stack web development. A recent graduate of the Full Stack Web Development course at QSpiders Institute, and am actively seeking opportunities to start my career in web development, where I can contribute to impactful projects and grow as a professional.

EXPERIENCE

WEB DEVELOPER INTERN • *Zidio Development*

May-2024 to Aug-2024 | Remote

- I have successfully completed a three-month internship training program at Zidio Development, where I gained hands-on experience with the MERN stack (MongoDB, Express.js, React.js, Node.js) and have developed three exciting projects.

QUALITY ENGINEER • *Caterpillar.inc*

Oct-2021 to Oct-2022 | On-Site

- Worked as a Quality Engineer at Caterpillar Pvt. Ltd., where I had the opportunity to hone my skills and contribute to the company's commitment to excellence.
- During my time at Caterpillar, I gained comprehensive knowledge in quality management practices, which included implementing quality control measures, conducting thorough inspections, and ensuring compliance with industry standards.
- I also mastered the use of MS Office tools, which were crucial for data analysis, reporting, and streamlining various quality processes. A highlight of my tenure was being awarded the prestigious Quality Trophy for my efforts in reducing defects and enhancing product quality.

AFTER MARKETING • *Wabco pvt.ltd*

Aug-2020 to Jul-2021 | On-Site

- Worked at Wabco Pvt. Ltd. as a member of the Aftermarket Management Team.
- During my time there, I had the opportunity to be part of a dynamic team that focused on optimizing supply chain processes and enhancing customer satisfaction.
- One of the most valuable aspects of my role was gaining foundational knowledge in SAP, a leading enterprise resource planning software.
